CTI **CHILLINGWORTH**
TRAINING INSTITUTE

The WHAT?

Benefits

As a Member Store Owner, having an apprentice doesn't come any easier than with the team at the CTI. We have great faith in the CTI model working in not just providing training but more importantly apprenticeship retention so that we have a well-qualified pool of Craftspeople over the next 5–10 years.

We know the day to day running of your business can sometimes throw you challenges but let us help you put an apprentice into educating the installers of tomorrow but as a business you too can thrive and prosper.

Why CTI?

As members, you own it!

An apprentice can:

- ✓ **Provide you with a government subsidy of \$5,000 to your store**
- ✓ **Add an average of 80m² meterage to your installs per week**
- ✓ **Add to your qualified pool of craftspeople**
- ✓ **Help you thrive & prosper**
- ✓ **Help future proof your business**

The HOW?

Hands on training

Our training workshops are hands on and not just theory.

They are customised for Choices Flooring members so you as a store can truly benefit.

At the CTI we have passionate trainers who care. They train apprentices to the highest level for you and your business. And these trainers are employed by the group for the group.

Our qualified industry-based trainers are located across Australia ready to support your apprentice, no matter where you are located.

With multiple trainee workshops scheduled across Australia, you can be assured your apprentice will get real life training in a variety of different residential and commercial environments – with regular visits and mentoring.

The WHO?

Trainers

**William
(Bill) Tree**

With 55 years in commercial flooring, Bill focuses on remedying labour shortages by training and developing the next generation of skilled installers.

**Kym Nisbet
(SA/WA)**

Kym, a flooring expert with over 50 years of experience, leverages his extensive skills to mentor CTI apprentices, ensuring excellence in flooring installation.

**Mark Willis
(VIC/TAS)**

Mark, a flooring veteran since 1975, combines his vast knowledge and passion for mentoring to shape confident, skilled flooring apprentices.

**Paul Maiolo
(NSW/QLD)**

Paul, a seasoned flooring expert and PGA coach, aims to elevate industry standards through training the next generation of flooring installers.

The WHY?

Culture

At Choices Flooring we are all about creating a good group culture.

A culture whereby positive values are deeply ingrained in every aspect of our business environment.

As a member **YOU** contribute to this culture through participation and supporting our programs for the betterment of the membership as a whole.

As a member-based organisation, what we do is for **ALL** the members.

Supporting your network only makes us stronger.

And remember...as members, you own it.

The YOU!

So...
What are
the next
steps?

The CTI Team will make
this as easy as possible.

1

Simply contact the team and
say **YES** we want an apprentice.

2

The Team will then actively
assist you in contacting
schools in your local
area to try and find an
apprentice for you. The
team will also canvas local
and state-based career
organisations to try and
find a suitable candidate.

3

If and when a candidate is
found, its over to you.

We will work with State or
National Group Training
Organisations to make
registration easier.
